

PCA Club Racing Porsche Cayman GT4 Clubsport Trophy East Teams and Competitors

Vol. 1, Issue No. 8, Oct. 22, 2016

News from Series Director F. Allen Shirley:

SUBJECT: CAN Gateway Wiring Harness Modifications from MoTeC

Attention Drivers and Team Principals:

Please find the following information from MoTeC required to modify the wiring harness to plug into the PMNA CAN gateway.

The modification involves removing both CAN buses, "chassis CAN" and "OBD-II CAN" from the vehicle and terminating the "chassis CAN" into a new DTM 6S connector and the "OBD-II CAN" with a resistor. Competitors may also route the MoTeC power into this connector or keep it as currently installed. MoTeC estimates the harness modifications should take about an hour to complete.

Below is a link to a *.zip file containing the instructions for modifications in a PDF file. Also included is an Excel file outlining the CAN channels available to log. One advantage of the PMNA CAN gateway is elimination of unplugging the MoTeC system when using the Porsche OBD-II Scan Tool. Exclusively for use outside the Cayman GT4 Clubsport Trophy East, there is an updated file for 2017 to include additional channels and software updates to prevent the need for unplugging the MoTeC whenever using the Porsche Scan Tool.

Please contact Joe Hullett at MoTeC or Chris Brown at CB-Racing with any questions or concerns.

WEBSITE LAUNCH!

The new PCA Club Racing Porsche Cayman GT4 Clubsport Trophy East website has officially launched. Please feel free to hop on and review the content and information, and let us know if you have any suggestions, or changes to your profiles.

Please note the "Competitor" page - which will house all rules, regulations, competition updates and driver/team bulletins. In addition, the "Schedule" page will hold the event weekend schedules (they are posted as soon as we receive them), as well as the weekend results.

The site is clubsport.pcaclubracing.org, or you can click the weblink button below.

We hope you enjoy the site and if you have any questions, please contact Ruthie Forbes.
